Why Sponsor a RAeS Event?

The Royal Aeronautical Society’s unique ability to stimulate discussion and exchange ideas is becoming ever more relevant with the need to harness the diverse nature of the industry into a cohesive entity. RAeS Conferences seek to be at the forefront of this process and is a highly acclaimed sponsorship and exhibition opportunity.

- The RAeS is globally recognised as the only professional institution dedicated to the entire aerospace community
- As a not-for-profit organisation we are committed to reinvesting back into industry through scholarships, the National Aerospace Library and the only aerospace careers centre in the UK
- By positioning your company, brand and message alongside the RAeS’s already prestigious name you’ll be working with the world’s most influential aeronautical organisation
- Your sponsorship signifies commitment to the industry and will ensure you receive recognition as an active participant in the aerospace community
- In short, we provide a cost-effective and direct route to influence the key decision makers within the Aerospace industry, ensuring a targeted and effective outreach for your marketing campaign

We offer a number of branding packages covering various areas of the conference. Details of the individual packages and opportunities follow, with associated costs ranging from £500.

Reap the rewards

- Sponsorship of the RAeS is the ideal way to reinforce your company’s brand, improving its credibility and visibility in the market
- It will enable you to promote your company and products to create new business opportunities at the same time as ensuring successful customer interface with current clients
- We understand how crucial it is to derive return on your sponsorship investment and our packages will maximise this in the months before, during and after the conference

If you wish to discuss an alternative or bespoke package please contact the RAeS Conference & Events Department on: conference@aerosociety.com or phone 020 7670 4345

The Royal Aeronautical Society’s unique ability to stimulate discussion and exchange ideas is becoming ever more relevant with the need to harness the diverse nature of the industry into a cohesive entity.
