

Annual Subscriptions 2017

Membership Subscriptions		
Grade of Membership	Subscription Rates	Notes
Fellow or Companion Fellow or Companion – 20% discount ³	£341.00 £271.00	<ol style="list-style-type: none"> Consumer Price Index (CPI) Rate – Average 12 months to July 2016 0.25%. 2016 Membership Subscriptions increased by CPI (rounded up/down to nearest £). Members, Fellows and Companions who have or will be retiring during the course of the year can apply for the 20% discount on their subscriptions. Note – if the 20% discount takes the subscription below the Baseline Rate then the Baseline Rate will apply. The e-Associate grade is for graduating students who have previously been a student member of the Society and is applicable for one year after graduation. The Free Student Affiliate grade is for students who are currently in full-time education. The Apprentice Affiliate grade is for any apprentice on a recognised apprenticeship scheme. All members who have or will be reaching normal retirement age in 2017 are entitled to pay subscriptions at the Baseline Rate. Members have the option to pay their subscriptions by Direct Debit either as one sum in January 2017 or in ten monthly instalments between January and October 2017.
